2015 916 Yarra Valley Pinot Noir

Estate-grown MV6, hand-picked, whole bunches and whole berries cold-soaked and open-fermented, three weeks post-ferment maceration for the whole-berry parcels, matured for 16 months in used French oak, not fined or filtered. Clear, bright crimson-purple; despite its lengthy élevage, it is as fresh and crisp as a spring day; its cherry/berry fruit flavours positively sing in the mouth. Natural wine at its greatest. Diam. 13% alc.
